

# THE BOPARAN CHARITABLE TRUST

## *Helping Little Stars Shine Bright!*

The Boparan Charitable Trust are passionate about transforming the lives of children with disabilities, life-long illnesses and those in extreme poverty across the UK. The Boparan Charitable Trust prides itself on being **flexible, accessible and efficient**, providing help and support to children and their families.

Whether its a simple rain cover or sensory toy costing a few pounds, to a specialist electric wheelchair or life changing surgery costing tens of thousands, we provide support across the board. If you know of a child in need of our help, get in touch with the applications team.

### WHAT FAMILIES SAY ABOUT US...

“Our son needed a simple piece of equipment but without your help, my child would still be in hospital.”

“Your help has given our daughter freedom and the world is now her oyster. Thank you so much.”

“It took longer to get a letter from our physio than to turn around our trike application. Amazing!”
